

BRO'TOWN AND THE HEART FOUNDATION PRESENT ...

CARRY ON CONAN!

PART 2 OF A 3 PART SERIES

THE BOYS AND MS. GREY VISIT CONAN IN HOSPITAL AFTER HIS SORE THROAT TURNED TO RHEUMATIC FEVER ...

EW!

HEY BRO!

KIA ORA CONAN! ON BEHALF OF THE GROUP, I WOULD LIKE TO SING A WAIATA OF GET WELLNESS ...

... 'WHEN YOU'RE WEARY ...'

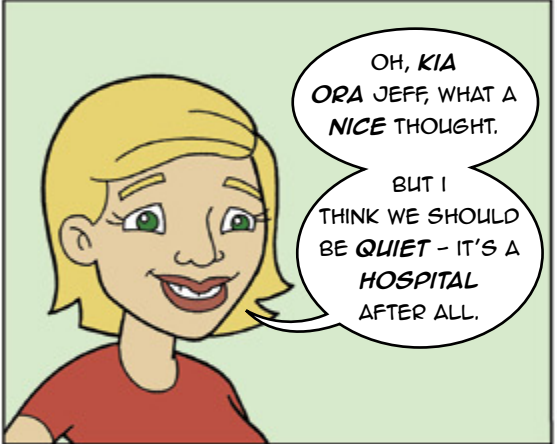

I KNOW... BUT ...

SAY IT CONAN, USE YOUR WORDS!

WELL ... WHEN I HAD A SORE THROAT I LEFT MY ANTIBIOTICS AT SIAOSI'S PLACE AND DIDN'T FINISH ALL MY MEDS ... AND NOW I'VE GOT RHEUMATIC FEVER ...

OH, KIA ORA JEFF, WHAT A NICE THOUGHT.

BUT I THINK WE SHOULD BE QUIET - IT'S A HOSPITAL AFTER ALL.

TELL ME ABOUT IT - I JUST WANT TO GET OUT OF HERE!

HAVE YOU COME TO BUST ME OUT?

I WAS SCARED GUYS.

WHAT IF I NEVER GET OUT OF HERE? WHAT IF I DIE? OR AM KILLED BY THE PAIN? WHAT IF I NEVER PLAY RUGBY AGAIN?

HAVE YOU TALKED TO THE NURSE ABOUT FEELING SCARED CONAN?

NOT EVEN OW!

NO CONAN, WE CAME TO SEE YOU AND TO BRING YOU GREETINGS FROM THE CLASS!

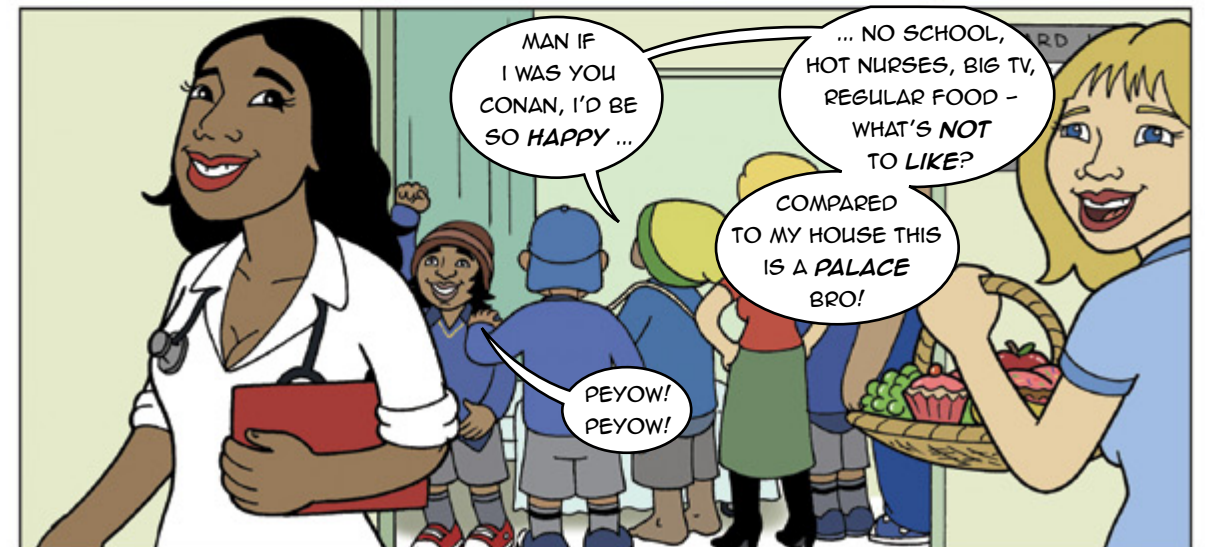

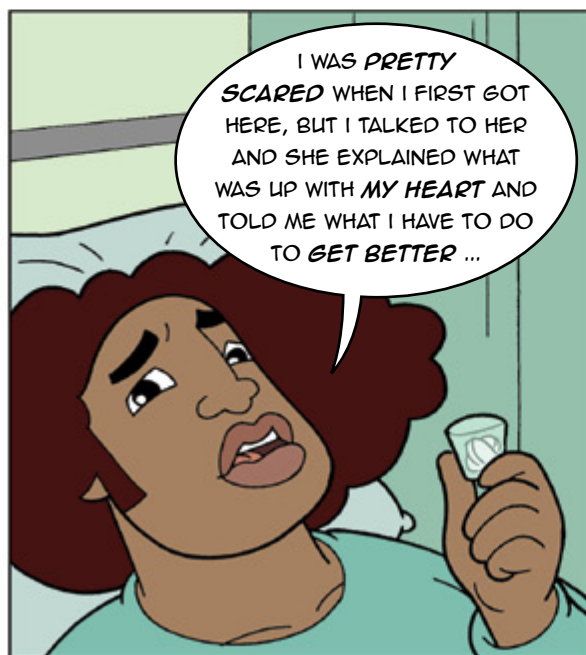

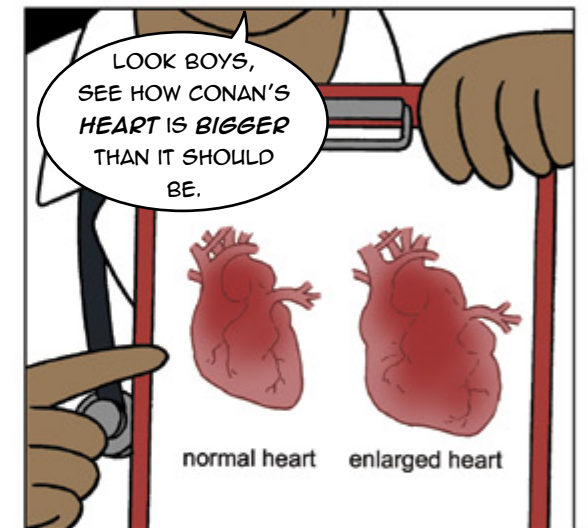

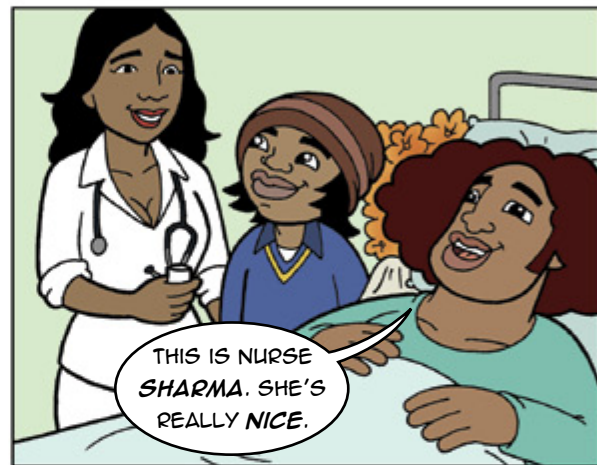

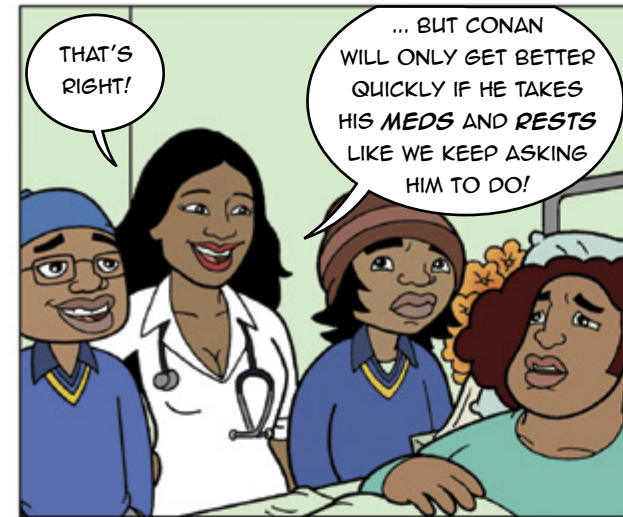

MAN, I WOULDN'T MIND STAYING HERE - CHECK OUT YOUR TV BRO!

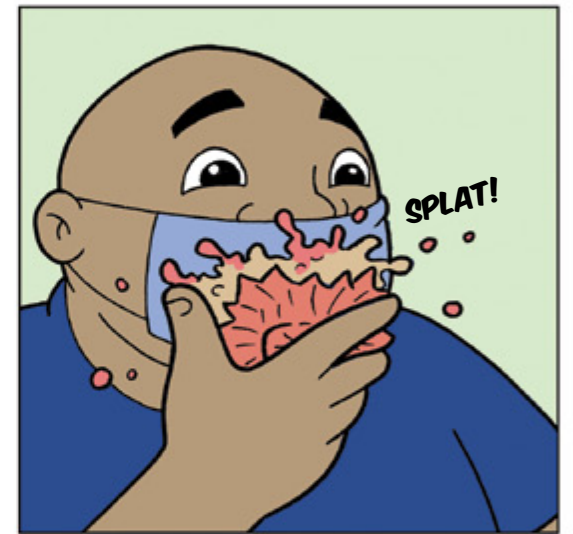

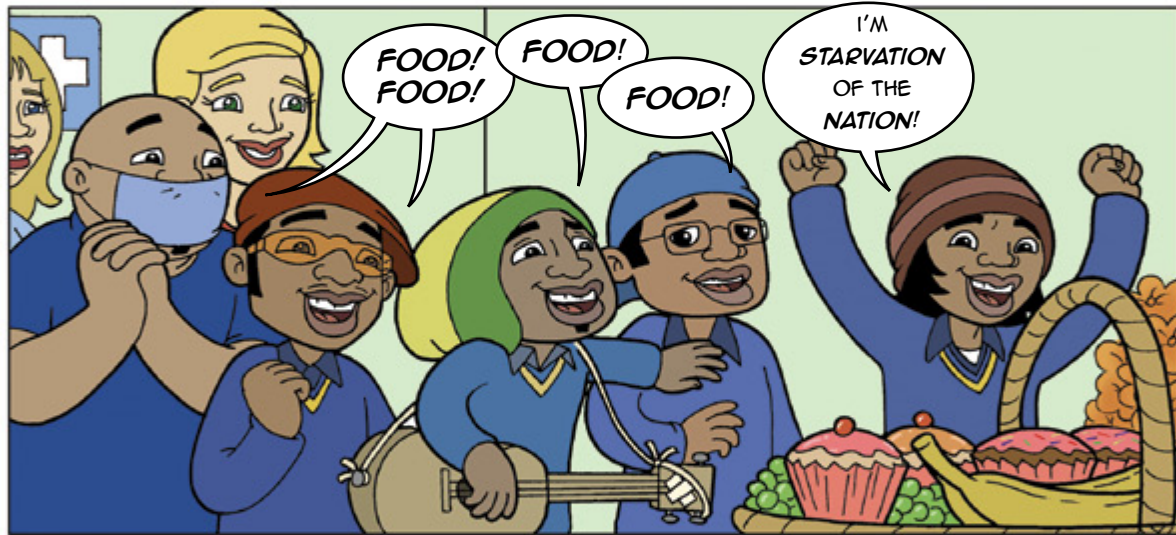

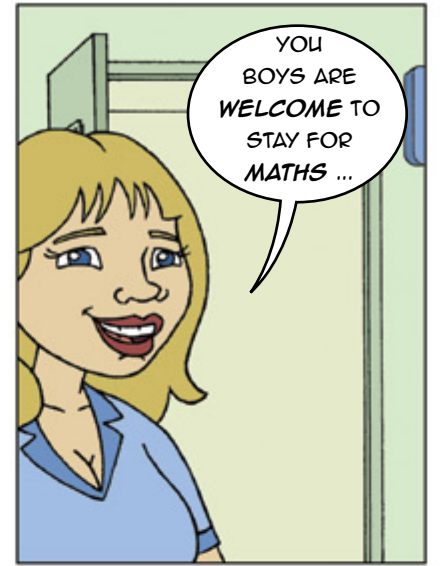

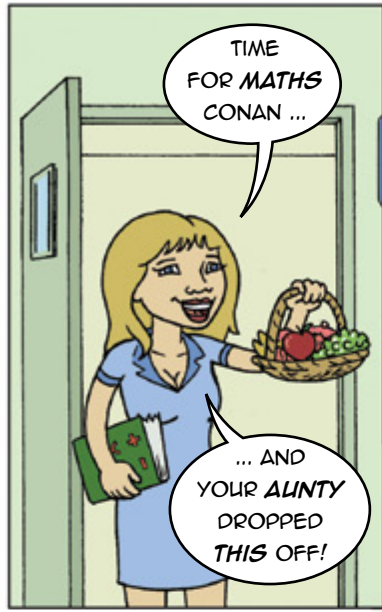

YES I AGREE! AND REMEMBER THE DOCTORS WILL LET YOU KNOW WHEN YOU CAN GO BACK TO SCHOOL AND START PLAYING RUGBY AGAIN CONAN.

YEAH, YOU'RE IN THE RIGHT PLACE NOW. YOU'LL BE OK AS LONG AS YOU DO WHAT THE DOCTORS AND NURSES SAY.

The best things you can do to help yourself get better are:

- If you are worried about anything talk to a doctor or nurse
- Take your meds
- Stay and rest on your bed if you are told to
- Ask when you can return to school and start playing sport again

... REMEMBER TO CHECK OUT THE FIRST COMIC IN THE SERIES!
