

Workforce Nutrition Course

Pacific cultural engagement

Want to talanoa/have a conversation about nutrition and health with Pacific people but don't know where to start?

This course will provide you with confidence to effectively and appropriately engage with Pacific people.

You will be provided with practical tools to start a healthy conversation with them.

Workshop focus:

- What you need to know about engaging with Pacific people
- Challenges and barriers to engaging with Pacific people
- Effective ways to engaging with Pacific people

This course is open to health professionals as well as people who assist, support and offer advice to Pacific communities.
